EBImage - Image Processing Toolkit For R

Oleg Sklyar

July 19, 2006

Introduction

This vignette is outdated, as well as this version of the package. Please update the package. Use `updateEBImage` to update to the latest stable release (at the time of writing version 1.3.101) or `updateEBImageDev` to update to the lastest development build. Updated versions include a comprehensive vignette!

Please check http://www.ebi.ac.uk/~osklyar/projects/EBImage for further details.
